NUST MANAGEMENT | COVID-19 MEASURES #3

Following a decision by NUST management to shift the Mid-Term Break, which was originally scheduled for 06 -10 April to 16 - 20 March 2020, it has further implemented the following preventive measures for staff and students.

Out of an abundance of caution and to ensure the welfare and health of our staff and students, **Mid-Term break is now extended to March 27th 2020**. This includes a staff option to work from home with only essential personnel remaining on campus.

As the situation progresses, the University will keep stakeholders informed. However, the University reminds stakeholders that it has contingency plans in place to ensure students are not significantly disadvantaged in the event of a longer closure.

All students and staff should continue communication with the University through its Hotline 081 2954650 and visit: <https://www.nust.na/?q=coronavirus>.

- **End**
